# Governor Dayton's Budget for Moorhead

The Governor's budget proposal is fair, responsible and moves Minnesota forward. For Moorhead he has proposed new investments in education from our earliest learners to new investments that will put the dream of higher education within the reach of every Minnesotan. The Governor's proposal also makes our state's tax system more fair for all Minnesotans by asking the richest among us to pay their fair share in taxes.

In Clay County, that means asking only 185 taxpayers to pay a little bit more in income taxes. In exchange, the state will be able to afford important new investments in the Moorhead community. By asking the 185 richest residents of Clay County to pay a little more in taxes, we can provide an additional \$1,764,052 to Moorhead schools. This new revenue also allows us to make college more affordable by providing \$1,649,400 in new grant money for Moorhead college students.

In total, by asking the 185 richest residents of Clay County to pay their fair share in taxes, we can invest **\$4,868,932** in Moorhead's students, schools and property tax relief. This is a deal worth making.
